Constitution Fair

Over 10,000 attendees!

The Constitution Fair is our signature event and is designed to both enlighten and entertain. Patrons spend the evening visiting booths and displays that teach them about the Constitution before the main patriotic stage show begins. The event ends with an amazing 20 minute, 4th of July style firework display.

Spectacular Entertainment

Constitution Week USA has awed audiences with headliners that have never been matched in Gilbert. Previous events have included performances by Lee Greenwood, David Archuleta, Michael Israel, Alex Boye, David Osmond, and a naturalization ceremony officiated by Sandra Day O'Connor.

This is one of the most patriotic events that I have performed at in twenty years. -Lee Greenwood, 2006

Monumental Displays & Historical Figures

Visitors to the fair will meet founding-era characters, walk through Independence Hall, view a touching memorial to our fallen soldiers, add their own signatures to the U.S. Constitution, and much more...

One Nation Under God

On Thursday during Constitution Week, some of the most intriguing spiritual leaders from across the country and from many denominational backgrounds come together for a night to remember in Arizona. One Nation Under God is dedicated to calling our nation back to the Creator who endowed each of us with inalienable rights, as described in the Declaration of Independence.

Treasure Quest

Families load up the kids for a fun and educational activity, searching for clues at Gilbert businesses to complete a special Treasure Map. Students bring their completed maps to the Constitution Fair and receive a prize.

Constitution Week USA presents a full week of activities from September 17th-23rd, including promotional school visits beginning in August.

School Education Program

Over 40,000 students participate!

Five weeks prior the Constitution Fair founding era characters such as George Washington, Abigail Adams, and Ben Franklin visit Gilbert schools to teach students about the United States Constitution.

Each student and teacher receives a hand out with information regarding the Constitution Fair and a trading card to cut out. Students who attend the Constitution Fair will meet more founding-era characters and collect the rest of the cards in the series.

Art & Essay Contest

Over 1,500 students participate!

Gilbert students submit their original artwork and written essays, based on a theme related to the United States Constitution. Winners are awarded cash scholarships and other prizes. This event helps students learn more about American history through research and creativity. Our volunteer judges are inspired as they take in the experience provided by these young patriots.

Adult Fine Art Contest

This competition is open to all adults. Artists may submit artwork with a patriotic theme, for display and competition at the Constitution Fair. All media are welcome (photography, oil, watercolor, ceramic, etc.), and monetary prizes are awarded for Best in Show and People's Choice.

Citizenship Merit Badge Clinic

The Boy Scouts of America has always been a strong proponent of good citizenship and American patriotism. The merit badge clinic gives Scouts the opportunity to earn one of four merit badges: Citizenship in the Community, Citizenship in the Nation, Citizenship in the World, and American Heritage.

Cub Scouts and Boy Scouts can also earn a special **Constitution Week Patch**, developed by Constitution Week USA, that can be earned by actively participating in Constitution Week events.

Over 1,500 Scouts!

Patriotic Church Services

Reach over 100 churches!

From the early days of our country the churches have been aflame with patriotism. Local churches are encouraged to give a patriotic sermon during Constitution Week. Educational materials are provided.

Family Constitution Lesson

Over 35,000 lessons distributed!

The most meaningful education happens in the home. Each year Constitution Week USA distributes a Family Constitution Lesson to be taught by families in their own homes. This lesson teaches the important aspects of the Constitution and helps families understand its underlying principles.

Sponsorship Opportunities

School Education Program **\$8,500**

Over 40,000 students participate!

- Your company logo on elementary student handouts

Constitution Week USA is funded entirely by private contributions and relies on your support to continue in the preservation of Liberty. We recognize the importance of giving your organization maximum community exposure.

Dear Sponsor,

In this time of patriotic renewal, Americans are paying attention to organizations who promote America and the blessings of Liberty. Constitution Week USA sponsorship opportunities give your organization a "Made in America" image while genuinely doing good for the pride of America. We thank you for your support.

~ Constitution Week USA Committee
